

## 2026 Festival End Song

Take upon us in the name of time  
To use our wings  
Speed our swift passage as we slide  
O'er sixteen years

Take upon us in the name of time  
To use our wings  
Speed our swift passage as we slide  
O'er sixteen years

Gentle spectators  
Let Leontes see  
Dear life redeems you  
Dear life redeems you  
If magic be, let it be an art

Dear Life redeems you  
Dear life redeems you  
If magic be, let it be an art
