

MACBETH: Act 4
Year 3 and Year 4
Punctuation Exercise: Possessive Apostrophes

,

A possessive apostrophe is used to show that one thing belongs to or is connected to something.

Read the examples below:

1. A great banquet was to be held that very evening at **Macbeth's Castle**

Macbeth is a singular noun so you need to add an apostrophe and "s" to show that the **castle** belongs to **Macbeth**.

2. The **warriors' swords** were pulled out, ready to fight.

Warriors is a plural noun that ends in an "s" so you don't add another "s" after your apostrophe. You can just add an apostrophe to show the **swords** belonged to the warriors.

3. **People's tongues** were wagging.

People is a plural noun but it doesn't end with an "s" so you need to add an apostrophe and "s" to show that the **tongues** belonged to the **people**.

1. **Ross' mouth** couldn't utter the words.

Ross is a singular noun that ends in an "s", so you need to add an apostrophe to show that the **mouth** belongs to **Ross**.
