

## Festival Song 2025

Had I but time  
To tell my story  
To you who wait and tremble at this chance  
Had I but time  
Oh I could tell you  
You who stay as audience to this act  
Goodnight sweet prince and flights of angels  
Sing thee to thy rest  
Goodnight sweet prince and hold me in your heart

But let it be  
The rest is silence  
Now cracks a noble heart

But let it be  
The rest is silence  
Now cracks a noble heart
