

Macbeth: Act 2

Year 3 and Year 4

Language Exercise: Similes and Metaphors

A metaphor is a word or a phrase used to describe something as if it were something else:
For example, "A wave of terror washed over him." The terror isn't actually a wave, but a wave is a good way of describing the feeling.
"Macbeth is fire." He's not made of fire, but it's a way to explain how dangerous he is.

A simile describes something by **comparing it to something else**, using like or as:
The snake moved **like a** ripple on a pond.
It was **as slippery as** an eel.
Lady Macbeth is **as sneaky as a snake**
