

When that I was and a little tiny boy,
With hey, ho, the wind and the rain,
hey, ho, the wind and the rain,

A foolish thing was but a toy,
When that I was a little boy,
For the rain it raineth every day.

Oh the rain it raineth every day,
raineth every day
raineth every day

Oh the rain it raineth every day,
raineth every day,
raineth every day.

A while ago, the world begun,
But that's all one, our play is done,
And we'll strive to please you every day.

Please you ev'ry day
Please you ev'ry day
It raineth every day

Oh the rain it raineth every day,
raineth every day
raineth every day

Oh the rain it raineth every day,
raineth every day,
raineth every day.
